

Cúrsa Nua.

The college accepts that individuals may have passed the SCG examinations, but have yet to complete the required time in the Gaeltacht. Numbers permitting, a course with emphasis on teaching methodologies, resources and alternative content will be provided.

Cuirfear cúrsa difriúil ar fáil do mhúinteoirí atá an SCG bainte amach acu. Beidh béim ar mhodheolaíocht, oideolaíocht agus Gaeilge labhartha.

Praghas

- Cheques are made payable to “Coláiste Sheosaimh.”
- The deposit of fees is forwarded with the application.
- The balance of fees is due at the outset of the course.
- The price includes all tuition, notes, accommodation and meals, and organised college activities.
- Students without a car will be placed in close proximity to the college.

An Cúrsa

The course is sanctioned by the Department of Education and Science and promises to cover *all* aspects of the SCG examinations. Qualified experienced teachers will provide sample essay material while also emphasising the *production of unique material*. Particular importance will be placed on style, in terms of prose and poetry answers.

A *scrúdú cainte* examination will be offered to each course participant, with subsequent feedback and analysis. Time will also be devoted to methodologies in a theoretical fashion and in a practical manner.

Coláiste Sheosaimh

An Coláiste

Coláiste Sheosaimh was one of the first Coláistí Gaeilge sa tír. Its history and tradition compare with the best. It is located 60km west of Galway city beside a calm inlet of Galway bay. The area is serviced by a thriving local community. Cill Chiaráin is an area renowned not only for its Gaeilge but also for its wealth of folklore and friendliness.

What the College offers?

Táimid brodúil as ár gColáiste Gaeilge. Every effort is made to ensure that Irish is developed in a normal and relaxed atmosphere. Morning classes are beneficial for written, oral and aural examinations. Special emphasis is placed on integrating the oral and aural work throughout the course. Afternoon and evening sessions will encourage participants to involve themselves in activities that are sport, music, information technology and art based. Learning will occur through encouragement, total immersion and involvement. Teachers on the course are familiar with the SCG examinations and syllabus content.

Imeachtaí Iarnóna agus Oíche

Activities will include games, art and craft workshops and dance lessons both modern and traditional. The activities will be structured in a manner so that the content will be adaptable to primary schools settings. Istoíche beidh éagsúlacht ceoil agus amhránaíochta ar fáil. Beidh imeachtaí sóisialta sa cheantar máguaird.

Lóistín:

As well as reaching college standards each house is sanctioned by Roinn na Gaeltachta. Cinntíonn gach bean an tí fáilte Uí Cheallaigh agus cuirtear bricfeasta, dinnéar, tae agus suipéar ar fáil. Go hiondúil, fanann daoine le chéile ach beidh seomraí singile ar fáil ar chostas breise. A limited number of single rooms are available (at a supplementary cost.)

The college endeavours to provide a high quality course that will give participants every opportunity to improve and practise their Gaeilge in preparation for the SCG. In return high standards of effort and co-operation are required. Beidh an teastas tinnimh ag brath ar rannpháirtíocht chuimsitheach, ar chomhoibriú sásúil agus ar sháriarracht i labhairt na Gaeilge. Reachtálfar cúrsa eile níos faide anonn sa bhliain. A follow up course to help fulfil Departmental requirements will be held later in the year.
